

SUSANN mid early

SUPERB IN SILAGE - GREAT IN GRAIN

Advantages:

- Top silage yield, starch yield, and grain yield in all fields
- Fully charged of energy thanks to its huge ear and great number of kernel rows
- Maximum potential for all kinds of flint types

Cultivation:

SUSANN convinced over years by stable grain and silage yields. The concise hammer-cob is the visual flagship of this hybrid.

Short profile:

---- = very low resistance/early/short,

++++ = very high resistance/late/long
